

National Long Term Survivors Group Environmental Policy

Issue: 1 **Date:** 10/9/2010

A. Purpose of the Procedure

1. To describe how NLTSG will operate with regards to environmental issues.

B. Principles

1. The Board of Trustees of NLTSG recognise our responsibility to manage our impacts on the environment.
2. NLTSG will operate in such a way as to minimise our negative impacts on the environment while being consistent with the effective operation of the group.

C. Details

1. To minimise paper use NLTSG will use electronic communication means where possible where this is consistent with the effective running of the group.
2. We will recycle and reuse materials where possible.
3. We will support suppliers and service users to minimise their impact on the environment brought about by working with NLTSG
4. We will comply with all relevant environmental legislation and regulations.
5. We will minimise utility usage consistent with the nature of the group.
6. We will make our environmental policy available to suppliers and service users, and encourage them to adopt a responsible approach to environmental issues.
7. We will strive for continuous improvement in overall environmental performance.
